Table of contents

Beamer elements

The beamer blocks

This is the slide subtitle

Theorem

This is a standard block (here a theorem).

Example

Here is an example block

Here is a bit of text between the blocks.

Alert

And here is an alert block.

Itemize and Enumerate

1. This is the first element of an enumerate.

4. This is the last enumerate element. The others are hidden at first.

Itemize and Enumerate

1. This is the first element of an enumerate.
2. The second element is highlighted when appearing.

4. This is the last enumerate element. The others are hidden at first.

Itemize and Enumerate

1. This is the first element of an enumerate.
2. The second element is highlighted when appearing.
3. The third element contains an itemize environment
   - First itemize item. It contains another enumerate environment:
     3.1 Here;
     3.2 And there.
   - Second and last itemize item.
4. This is the last enumerate element. The others are hidden at first.

The figures and tables

Figure: Example figure's caption
