Extended Abstract

## Abstract

Your abstract text goes here. The abstract should be between 150 to 300 words and should provide a concise overview of the problem, methodology, main results, and conclusions.

## 1 Introduction

This section introduces the problem, provides background information, and states the paper's objectives. Keep it brief, as this is a short paper format.

## 2 Methodology

Describe your methodology here. This section should include details of the approach, techniques, and processes used in the study.

## 3 Results

Present the results here. This section should summarize the findings without going into extensive detail, appropriate for a 2-page limit.

## 4 Conclusion

Conclude the paper by summarizing the findings, implications, and potential future work.
