Points below about appendices are excerpted from UNO's thesis format instructions UNO (nd):

- *The source code or output of computer programs may be included as an enumerated appendix. Place figures references with PDF links to multimedia objects in the Appendix as well.*
- *Following the same format in the Appendix as you followed in the main body of your ETD, place the word "Appendix", the appendix letter or letters, and the appendix title in large type at the beginning of each appendix section.
